Petition to Revive an Abandoned Application

Commissioner for Patents
Washington, D.C. 20231

Sir:

FAX RECEIVED

APR 11 2003

PETITIONS OFFICE

This communication is responsive to the Notice of Abandonment mailed September 4, 2002 (copy attached). The Notice states that the subject application has been abandoned for failure to timely or properly reply to the Notice to File Missing Parts mailed on March 14, 2001.

Applicants submit that a timely response to the Notice to File Missing Parts was filed on April 5, 2001 and respectfully request that the Abandonment be withdrawn.

The subject application was filed February 1, 2001. Since two of the three inventors reside outside of the United States, the application was filed without an executed declaration. A Notice to File missing parts, mailed March 14, 2001, was subsequently received. The Notice set a two (2) month period for response (i.e. May 14, 2001).

On April 3, 2001, a properly executed declaration was mailed. Applicants response to the Notice to File Missing parts included: (1) a transmittal form carrying a certificate of mailing, (2) a fee transmittal form, (3) a response to the notice to file missing parts, (4) a copy of the notice to file missing parts, (5) the executed declaration and (6) a return receipt postcard. A copy of each of these documents is attached. On the address side of the post card is a stamp indicating a receipt date of April 5, 2001.

Concurrently mailed under separate cover was the assignment document (mailed April 3, 2001 with the requisite cover sheet and with a return receipt post card). Attached is a copy of the post card also showing receipt date of April 5, 2001.

Applicants submit that a timely response was filed and request that the Notice of Abandonment be withdrawn that the application be reinstated to active status and that an action on the merits be expedited.

The Commissioner is authorized to charge any fee required for the filing of this petition to deposit account No. 14-0455. Since, however, the abandonment of the subject appears to be due to an error on the part of the U.S. Patent and Trademark Office, refund of any fee so charged is requested.

Early and favorable action is solicited.
